General Information

- Year round group swim lessons are offered on Tues & Thurs or on Sat & Sun. There are a total of 6 classes, 35 minutes each class, and classes are offered twice per week for 3 weeks.
- Year round group swim lessons are offered based on the specific swim level your child is qualified for. If unsure which class to register for, please see lifeguard for assessment.
- Private swim lessons are offered on specific dates listed online. Private classes are 30 minutes per class and registration is done by selecting a specific date/time online. Registration is per class. If you're interested in multiple classes, you must select the various dates you're interested in when registering online.
- Registration can be done online at www.myglendaleparks.com. Check the website frequently for open lesson spaces.
- **Swim lesson participants MUST be present on the first day of the scheduled swim lesson; otherwise, the participant will be automatically dropped from the class.** Refunds will not be authorized in the event this happens. If you know that the participant will be unable to attend the 1st class session, you must call AND SPEAK TO a supervisor. It will be noted on the roster and the participant will not be dropped.
- Day 2 registration takes place at 9 a.m. the day after any group class begins, either in person or over the phone. This is for any lesson spaces opened up by no shows on day 1.
 - Staff will attempt to accommodate make up class requests. Unfortunately, there is no guarantee.
- REFUNDS are not offered for aquatics classes. Credits for aquatics programs are **not typically offered however, under special circumstances, any request would require a minimum of 1 week advance notice to the start of the class.** Credits are not authorized for slower than expected progression, registering for the wrong level or time, registering at the non-resident rate, because of cold, rainy, inclement weather, scheduling conflicts or if you are dropped for missing the first day without properly notifying staff. Please note, in group lessons, children only have a limited amount of individualized attention and will progress through the classes at their own pace.

Thank you for your understanding.
